

THE LONDON SCREENINGS 2024

Terms and Conditions for Sales Companies

The London Screenings is an export initiative and not a film market or festival. It prioritises the showcasing of UK films and selected non-UK films to international buyers and film festival directors/programmers only.

International buyers are chosen by Film Export UK and the London Screenings Steering Group based on their distribution activity, interest and experience in buying British films, track record as a distributor, as well as their existing and potential future relationships within the UK sales community. Priority will be given to those who have distributed UK product within the last three years.

The Film Export UK/London Screenings Steering Group list of invited buyers is final.

The Terms and Conditions for Sales Companies participating in the London Screenings are as follows:
